Dear **Christine S. Abenojar**

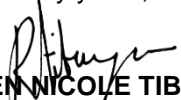

Isang maka-Rizal na araw!

We, the **Computer Science Society (CSS)** of City College of Calamba, would like to conduct a **Career Guidance Seminar of the Program, Bachelor of Science in Computer Science** on **January 29, 2024, Monday** for your **Grade 12 STEM and ICT Students**. The primary objective of this event is to inform students about the distinctions between the BS Computer Science Program and other BS Computer Programs, giving them choice of which expertise to pursue.

In regards to this, we would like to seek your permission to allow us to conduct a seminar for your students and a room/place of event.

Thank you so much. Looking forward to your favorable support and approval

Respectfully yours,

REIVEN NICOLE TIBAYAN
President, Computer Science Society
